

Summer News! Workshops Abound!

Hi College Bound Friends!

I hope your summer is going well and you're filling it with a rich texture of fun, enriching experiences, some volunteer work, and some interesting books!

This weekend there are 3 great opportunities to empower yourself with possibly game-changing knowledge and skills. (Links for sign ups are further down in this email.)

College Bound Essentials- for grades 8-12- In 3 hours, we teach students and parents how the admissions, scholarships, and financial process really work, and how you can position for the best possible admissions and funding. This engaging, interactive, and dynamic class can save you literally hundreds of thousands of dollars. Only \$75/student (and parents come along at no extra charge).

FREE 1-hour workshop- How to Use Your Family Business to Pay for College
Presented by Walters CPA group.

Interview Skills for Admission, Scholarships, & Athletic Recruiting- This workshop is packed with tips and lots of student interaction, equipping students to interview effectively in any college-bound setting. Not just for rising seniors! Anyone who might need to interview with an admissions rep, scholarship judge, or even a college coach will benefit from this workshop.

Have a great rest of the week- I hope to see some of you on Saturday!

Reminder- Power of Attorney for your 18 year old

Even if your student heads off to college with their insurance card in their wallet, and even if you're responsible for their medical bills, that doesn't mean you'll have instant and full access to working with their doctors if an emergency arises.

Talk with your lawyer about getting a "Healthcare Power of Attorney" and "General Power of Attorney" in place on your student so that they can get the help they need in an emergency. Attached is a sample Power of Attorney for SC but be sure to get one that is particular to your state.

Testimonials

*Dear Elizabeth,
I wanted to let you know Amber was offered a full tuition ride to Tulane University as she was awarded the Deans Honor Scholarship. However; she has opted to attend Furman as they awarded her the Hollingsworth Scholarship and she was one of only 6 students accepted into the direct entry admission program to the USC Greenville Medical School.
I want to thank you for all your help, You were definitely a contributing factor to Amber's success. I wanted to let you know so you can tell her success story to other students to inspire and motivate them.
Thank you again.

"Thank you Mrs Hartley for all you did for Lauren. We are very happy with her acceptance into NC STATE spring 2018! I am very appreciative of all the seminars you hosted at MCA and near your office to teach parents and students how and what to do about college. It certainly is a different"

- Cindy H

*"Dear Ms. Hartley-
I wanted to thank you so much for the interview prep and your time! I found out that I did get into the EUREKA program at Clemson Honors College. This will make my Clemson experience so much more special! Our time together made me feel confident and prepared when I went into the interview. Thanks so much! - AW*

Services and Resources

To answer some recent inquiries, yes, we are working through the summer!

We are offering a lot of workshops and seeing clients throughout the week. Even though my own appointment spots are full through August already, my experienced associate Kay still has some openings.

I encourage you to make great use of the workshops and then determine if you'd like to follow up with a private meeting. If you do, let's book ahead and either Kay or I will be glad to help.
