

Aug 11th Concord NC workshop

Hi College Bound Friends!

I am putting together an informative newsletter with some great articles for you that I hope to get out in the next day or so.

In the meantime, I wanted to point out that we have a College Bound Essentials workshop coming up in **Concord NC on Aug 16th (Thursday) from 6:00-9:00**. Perfect for grades 8 and up, this workshop can change your whole strategy for parents and for students regarding how to get into college and how to get the best scholarships and aid.

This class will include everything I always include but there will be some extra information provided at the end that will particularly apply to homeschooling families. So if you know anyone who home schools, please let them know of this opportunity.

Aug 16- Concord- College Bound Essentials (with bonus segment for homeschoolers)- 6:00-9:00 pm- click [here](#).

So if you live in the area north of Charlotte and want to avoid the commute to Lake Wylie for this workshop, this is your chance! I hope to see you there!

Testimonials

*Dear Elizabeth,
I wanted to let you know Amber was offered a full tuition ride to Tulane University as she was awarded the Deans Honor Scholarship. However; she has opted to attend Furman as they awarded her the Hollingsworth Scholarship and she was one of only 6 students accepted into the direct entry admission program to the USC Greenville Medical School.
I want to thank you for all your help, You were definitely a contributing factor to Amber's success. I wanted to let you know so you can tell her success story to other students to inspire and motivate them.
Thank you again.

"Thank you Mrs Hartley for all you did for Lauren. We are very happy with her acceptance into NC STATE spring 2018! I am very appreciative of all the seminars you hosted at MCA and near your office to teach parents and students how and what to do about college. It certainly is a different"

*"Dear Ms. Hartley-
I wanted to thank you so much for the interview prep and your time! I found out that I did get into the EUREKA program at Clemson Honors College. This will make my Clemson experience so much more special! Our time together made me feel confident and prepared when I went into the interview. Thanks so much! - AW*

Services and Resources

To answer some recent inquiries, yes, we are working through the summer! We are offering a lot of workshops and seeing clients throughout the week. Even though my own appointment spots are full through August already, my experienced associate Kay still has some openings.

I encourage you to make great use of the workshops and then determine if you'd like to follow up with a private meeting. If you do, let's book ahead and either Kay or I will be glad to help.
